

Robert H. Dworkin, PhD

Department of Anesthesiology
University of Rochester School of Medicine and Dentistry
601 Elmwood Avenue, Box 604
Rochester, New York 14642

Office Phone: (585) 275-8214
Office Fax: (585) 276-0122
E-mail: robert_dworkin@urmc.rochester.edu

Education

BA, 1971 University of Pennsylvania: Psychology; Sociology

PhD, 1977 Harvard University: Psychology

Professional appointments

1973-1977 Tutor and Teaching Fellow
Harvard University

1975 Summer Training Institute on the Genetics of Developmental Processes
Institute for Behavioral Genetics
University of Colorado

1977-1981 Assistant Professor
Department of Psychology
Cornell University

1982-1992 Adjunct Assistant to Adjunct Associate Professor
Ferkau Graduate School of Psychology
Yeshiva University

1982-1997 Assistant to Associate Professor of Clinical Psychology
Departments of Anesthesiology and Psychiatry
College of Physicians and Surgeons
Columbia University

1997-present Professor of Anesthesiology, Neurology, Oncology, and Psychiatry
and Center for Human Experimental Therapeutics (2010-present)
Director, Anesthesiology Clinical Research Center
School of Medicine and Dentistry
University of Rochester

Awards and honors

2005 Wilbert Fordyce Clinical Investigator Award, American Pain Society

2010 Honorary member, Neuropathic Pain Special Interest Group, International
Association for the Study of Pain

2011 John J. Bonica Award, Eastern Pain Association

Completed research grants (2004-present; excluding industry multicenter clinical trials)

2001-2004	National Institute of Neurological Disorders and Stroke (PI) Analgesia in herpes zoster and postherpetic neuralgia
2002-2006	Novartis (PI) Shingles trial of oral medications to prevent postherpetic neuralgia (STOMP-PHN) pilot study
2002-2006	Pfizer (PI) Shingles trial of oral medications to prevent postherpetic neuralgia (STOMP-PHN) pilot study
2004-2006 Perlis)	National Institute of Nursing Research (Collaborating investigator; PI: M.L. CBT for secondary insomnia in chronic pain patients
2002-2007	National Institute of Child Health and Human Development (Collaborating investigator; PI: D.C. Foster) Vulvar vestibulitis trial: desipramine-lidocaine
2005-2008 zoster	Endo Pharmaceuticals (PI) The burden of health care expenditures associated with pain in herpes and postherpetic neuralgia
2003-2009	Endo Pharmaceuticals (Co-PI with M.P. Jensen) The lidocaine patch database project
2004-2009	National Cancer Institute (Mentor; PI: G.R. Morrow) Cancer control research training curriculum
2005-2010	National Institute on Aging (Mentor; PI: W.J. Hall) Research training in geriatrics and gerontology
2007-2010	Montel Williams Foundation (Co-PI; PI: A. Goodman) Can omega-6 polyunsaturated fatty acids reduce disease activity in MS?
2008-2011	NeurogesX (PI) Healthcare costs and utilization in peripheral neuropathic pain
2009-2011	Serono (Co-PI; PI: A. Goodman) Can omega-6 polyunsaturated fatty acids reduce disease activity in MS?
2011	National Institute of Child Health and Human Development (Collaborating Investigator; PI: C. Brown) A controlled trial of gabapentin in vulvodynia: biological correlates of response
2010-2012	Food and Drug Administration (PI) Analgesic clinical trial innovations, opportunities, and networks (contract)

Active research grants and contracts

1990-2015	National Institute of Neurological Disorders and Stroke (Preceptor; PI: R.C.
-----------	--

Griggs)
Experimental therapeutics of neurological disease

- 2011-2016 Food and Drug Administration (PI)
Analgesic clinical trial innovations, opportunities, and networks (research grant)
- 2011-2016 National Institute of Arthritis and Musculoskeletal and Skin Diseases (PI; Program Director: D.C Turk)
Combined behavioral and analgesic trial for fibromyalgia (COMBAT-FM)

Professional activities

- 1986-1989 Program Committee, Society for Research in Psychopathology
- 1986-1992 Secretary, Society for Research in Psychopathology
- 1992-1994 Representative-at-Large, Eastern Pain Association
- 1994-1998 Steering Committee, Psychosocial Special Interest Group, American Pain Society
- 1994-2004 Scientific Advisory Board, VZV (Varicella-Zoster Virus) Research Foundation
- 1995-1996 Program Chair, Eastern Pain Association
- 1996-1998 Program Committee, American Pain Society
- June, 1998 Co-Chair, International Conference on the Mechanisms and Treatment of Neuropathic Pain, Rochester, New York
- June, 1999 Co-Chair, 2nd International Conference on the Mechanisms and Treatment of Neuropathic Pain, Washington, DC
- 1999-2000 Nominating Committee, American Pain Society
- 1999-2000 Program Committee, Eastern Pain Association
- 1999-2003 Executive Board, Society for Research in Psychopathology
- June, 2000 Co-Chair, 3rd International Conference on the Mechanisms and Treatment of Neuropathic Pain, Washington, DC
- September, 2001 Chair, 4th International Conference on the Mechanisms and Treatment of Neuropathic Pain, San Francisco, California (cancelled because of 9/11)
- 2001-2006 Director at Large, Eastern Pain Association
- November, 2002 Chair, 5th International Conference on the Mechanisms and Treatment of Neuropathic Pain, Bermuda
- 2002-2003 Program Committee, Eastern Pain Association
- 2002-2004 Consultant, Anesthetic and Life Support Drugs Advisory Committee, Food and Drug Administration

- 2002-2005 Chair, Steering Committee, Neuropathic Pain Institute
- September, 2003 Chair, 6th International Conference on the Mechanisms and Treatment of Neuropathic Pain, San Francisco, California
- November, 2004 Chair, 7th International Conference on the Mechanisms and Treatment of Neuropathic Pain, Bermuda
- 2004-2005 Chair, Industry Relations Task Force, American Pain Society
- 2004-2007 Member, Anesthetic and Life Support Drugs Advisory Committee, Food and Drug Administration
- February, 2005 Consultant, Joint Arthritis and Drug Safety and Risk Management Advisory Committee, Food and Drug Administration
- November, 2005 Chair, 8th International Conference on the Mechanisms and Treatment of Neuropathic Pain, San Francisco, California
- 2005-2006 Measles, Mumps, Rubella, and Varicella Working Group, Centers for Disease Control and Prevention
- November, 2006 Chair, 9th International Conference on the Mechanisms and Treatment of Neuropathic Pain, Bermuda
- 2006-2007 Shingles Working Group, Centers for Disease Control and Prevention
- November, 2007 Chair, 10th International Conference on the Mechanisms and Treatment of Neuropathic Pain, Snowbird, Utah
- 2006-2008 Finance Committee, International Association for the Study of Pain
- November, 2008 Chair, 11th International Conference on the Mechanisms and Treatment of Neuropathic Pain, Bermuda
- November, 2009 Chair, 12th International Conference on the Mechanisms and Treatment of Neuropathic Pain, San Francisco, California
- 2001-2010 Vice-Chair (2001-2005), Chair (2005-2008), and Immediate Past Chair (2008-2010) Neuropathic Pain Special Interest Group, International Association for the Study of Pain
- 2004-2010 Data and Safety Monitoring Board, National Institutes of Health
- 2008-2009 Steering Committee, Neuropathic Pain Network
- 2008-2010 Co-Chair, Claim of Symptomatic Relief Working Group, Osteoarthritis Research Society International-Food and Drug Administration Osteoarthritis Initiative
- 1999-2011 Data and Safety Monitoring Board, Department of Veterans Affairs
- 2006-2011 Scientific Advisory Committee, The Louise and Alan Edwards Foundation
- 2010-2011 Coordinating Committee, American Society of Anesthesiologists-Food and Drug

	Administration Sedation Initiative
2011	Chemotherapy-Induced Peripheral Neuropathy Working Group, National Cancer Institute
March, 2011	Chair, International Conference on Accelerating the Development of Enhanced Pain Treatments, Bermuda
1993-present	Professional consultant and related activities for over 100 pharmaceutical and device companies; efforts have focused on clinical trial methods and regulatory issues for analgesic drug and device products and antiviral agents
2001-present	Co-Chair (with D.C. Turk), Initiative on Methods, Measurement, and Pain Assessment in Clinical Trials (IMMPACT)
2006-present	Task Force on Taxonomy, International Association for the Study of Pain
2007-present	Special Government Employee, Center for Drug Evaluation and Research, Food and Drug Administration
2009-present	Professional Advisory Board, American Chronic Pain Association
2009-present	Neuropathic Pain Management Medical Advisory Council, Neuropathy Association
2010-present	Zoster Working Group, Centers for Disease Control and Prevention
2010-present	Director, Analgesic, Anesthetic, and Addiction Clinical Trial Translations, Innovations, Opportunities, and Networks (ACTTION), a public-private partnership with the Food and Drug Administration
2011-present	Executive Committee, Clinical and Translational Science Awards Pain Research Interest Group, National Institutes of Health
2012-present	Biotech/Medical Advisory Board, Lifeboat Foundation

Editorial board memberships

Advances in Pain Management (2007-2009)

Clinical Journal of Pain (1999-2011; Associate Editor: 1999-2005)

Current Pain and Headache Reports (1999-present)

Journal of Neuropathic Pain and Symptom Palliation (2005-2007)

Journal of Pain (2007-present)

Journal of Pain and Symptom Management (1986-1993)

Mayo Clinic Proceedings (2013-present)

Pain (Associate Editor: 2005-present)

Pain Medicine (1999-2002)

Psychopathology Research: The Newsletter of the Society for Research in Psychopathology
(Editor: 1990-1993)

Professional association memberships

American Pain Society

Eastern Pain Association

International Association for the Study of Pain
Society for Research in Psychopathology

University of Rochester Medical Center activities

Department of Anesthesiology

1997-1998	Chair, Pain Research Working Group
1997-1998	Chair, Faculty Evaluation Task Force
2008-2009	Faculty Development and Promotions Task Force
2010-2011	Chair, Communications Committee
2000-present	Chair, Promotions Committee
1998-present	Research Committee (Chair, 2002-2005)

School of Medicine and Dentistry / Strong Memorial Hospital

1997	Ad Hoc Promotion Committee, Department of Psychiatry
1997-1998	Pain Curriculum Task Force
1997-2000	Search Committee for Head of Psychology, Department of Psychiatry
2000	Pain Management Steering Committee
2001	Pain Initiative Implementation Team
2001	Ad Hoc Promotion Committee, Department of Psychiatry
2001-2002	Interviewer for School of Medicine applicants
2002	Ad Hoc Promotion Committees, School of Medicine (2)
2002-2003	Steering Committee, Strong Collaboration for Excellence in Pain Teaching, Education, and Research
2005	Ad Hoc Promotion Committees, School of Medicine (3)
2008-present	Co-Chair, Working Group on Clinical Trials, Department of Neurology
2009-present	Steering Committee, Translational Pain Research Forum, Department of Neurosurgery

Teaching experience

1972-1977	Harvard University (undergraduate seminars and courses)
1977-1981	Cornell University (undergraduate courses, graduate student seminars, dissertation committee chair for 1 graduate student)
1982-1992	Yeshiva University (graduate student seminars, dissertation committee chair for 21 graduate students)
1997-present	University of Rochester School of Medicine and Dentistry
of	Medical student courses: (1) Pain in society and culture (Psychosocial aspects of pain); (2) Process of discovery (Frontiers of medical science: Identifying improved analgesics—"Yesterday's home runs don't win today's games") Graduate student course: Biology of neurological diseases (Neuropathic pain) Anesthesiology pain fellowship didactic seminar series: (1) Treatment of neuropathic pain; (2) Clinical trial methods; (3) Placebo effects

Invited lectures and grand rounds (2005-present)

Predicting and preventing neuropathic pain. Wilbert E. Fordyce Clinical Investigator Award lecture presented at the meeting of the American Pain Society, Boston, Massachusetts, March 2005.

Strategies for the prevention of neuropathic pain. Invited lecture presented at Expanding Vistas in Neuropathic Pain, Uluru, Australia, August 2005.

Predicting and preventing neuropathic pain. Grand rounds presented at the Department of Anesthesiology, Cleveland Clinic, Cleveland, Ohio, September 2005.

Predicting and preventing neuropathic pain. Grand rounds presented at the Department of Neurology, Long Island Jewish Medical Center, New Hyde Park, New York, October 2005.

Research objectives for clinical trials in peripheral neuropathy. Task force chair presentation at the conference on Peripheral Neuropathy, National Institute of Neurological Disorders and Stroke, Bethesda, Maryland, October 2006.

Strategies for the prevention of neuropathic pain. Invited lecture presented at Primer Congreso Centroamericano del Dolor y Cuidados Paliativos, Guatemala City, Guatemala, December 2006.

Predicting and preventing chronic pain: the role of acute pain. Grand rounds presented at the Department of Neurosurgery, University of Washington, Seattle, Washington, June 2007.

Shingles pain and its persistence: a belt of roses from hell. Twenty-second Annual Gunn-Loke lecture, University of Washington, Seattle, Washington, June 2007.

From mechanisms to medicines: clinical trials and tribulations. Frontiers in Pain Research Lecture, Alan Edwards Centre for Research on Pain, McGill University, Montreal, Canada, April 2008.

Treatment guidelines for neuropathic pain. Invited lecture presented at the World Congress on Pain Satellite Meeting on Neuropathic Pain, London, United Kingdom, August 2008.

Advances in the prevention and management of neuropathic pain. Invited lecture presented at the Interurban Pain Conference, London, Ontario, Canada, October 2008.

Demonstrating neuropathic pain treatment efficacy: many a slip 'twixt cup and lip. Plenary lecture presented at the 5th World Congress of the World Institute of Pain, New York, New York, March 2009.

Strategies for the prevention of postherpetic neuralgia (excluding vaccination and antiviral therapy). Invited lecture presented at the Global Virology Foundation Zoster Workshop: VZV Infections Now and in the Future, Annecy, France, April 2009.

Neuropathic pain: eight years of progress, three years of disappointments. Invited workshops presented at the Alliance of State Pain Initiatives, San Francisco, California, October 2009.

Demonstrating neuropathic pain treatment efficacy: many a slip 'twixt cup and lip. Invited lecture presented at the meeting of the American Academy of Neurology, Toronto, Canada, April 2010.

Clinical importance of individual improvements and group differences in pain clinical trials. Plenary lecture presented at the OMERACT 10 (Outcome Measures in Rheumatology) meeting, Kota Kinabalu, Malaysia, May 2010.

Neuropathic pain clinical trials and tribulations: there's many a slip 'twixt cup and lip. Plenary lecture presented at the 3rd International Congress on Neuropathic Pain, Athens, Greece, May 2010.

Pharmacotherapy of chronic pain: clinical trials, tribulations, and trajectories. Plenary lecture presented at the 13th World Congress on Pain of the International Association for the Study of Pain, Montreal, Canada, August 2010.

Toward evidence-based analgesic clinical trial design. Invited lecture presented at the 5th Annual Frontiers of Clinical Investigation Symposium on Pain 2010: Bench to Bedside, San Diego, California, October 2010.

Accelerating the development of improved analgesic treatments: the ACTION public-private partnership. Invited lecture presented at the Institute of Medicine Committee on Advancing Pain Research, Care, and Education, Washington, DC, January 2011.

Drug trials and tribulations: an evidence-based approach to analgesic clinical trial design. 12th Annual Lecture of the Pain Relief Foundation, Liverpool, United Kingdom, November 2011.

From mechanisms to medicines: the crisis in analgesic drug development and what can be done about it. John J. Bonica Award lecture presented at the meeting of the Eastern Pain Association, New York, November 2011.

A difference is a difference only if it makes a difference: how much pain relief is clinically meaningful? Invited lecture presented at the meeting of the Eastern Pain Association, New York, November 2011.

Challenges in the design of neuropathic pain clinical trials: phase 2 and 3 considerations. Invited lecture presented at the International Research Symposium on Innovative Therapies for Peripheral Neuropathies, Chicago, Illinois, March 2012.

From mechanisms to medicines: what ACTION can be taken to accelerate analgesic drug development? Keynote lecture presented at the World Pharma Congress, Philadelphia, Pennsylvania, June 2012.

Enhancing clinical trial design. Invited lecture presented at the meeting of the Symptom Management and Health-related Quality of Life Steering Committee, National Cancer Institute, Bethesda, Maryland, September 2012.

Accelerating the development of improved analgesic treatments: the ACTION public-private partnership and evidence-based clinical trial design. Invited lecture presented at the meeting of the American College of Rheumatology, Washington, DC, November 2012.
